

A MESSAGE FROM THE CEO AND COO: WELCOME BACK!

BOMS members:

Welcome back to campus! We hope that you all enjoyed your breaks, and we are looking forward to seeing you at our meetings and events throughout the quarter.

We are still working out the final details of the meeting schedule for this quarter; we are expecting this to be BOMS' most successful quarter to date. Details regarding confirmed events can be found on the next page.

The first two meetings of the quarter have been confirmed, and we would like to provide more expanded details for those two events:

January 6th – Process Excellence Group from Riverside Methodist Hospital will be joining us to share experiences and insights regarding process improvement and quality control in the healthcare industry. The members of this group will be familiarizing us with the role of Operations Management within the hospital and the healthcare industry by presenting information relating to actual projects that have occurred at Riverside. This presentation will be a great look into a service industry, and we hope that you will join us to learn more about the many ways that a background in Operations Management can be applied.

January 20th – Just A Minute (JAM), an undergraduate student organization at Fisher, will be our guests. Members of the organization will provide valuable knowledge regarding public speaking, elevator pitches, and more. If time remains, we will also be providing tips for those of you who will be attending the upcoming Internship Invitational (February 3rd). Anyone who would like to share personal Do's or Don't's for the benefit of our underclassmen is encouraged to do so.

WELCOME BACK! (CONT.)

In closing, if you have comments regarding your overall experience with BOMS, meeting ideas, or any other suggestions, please email or speak with us in person following a general meeting. We look forward to hearing from you regarding these topics, and we hope to see you at our upcoming meetings!

Thank you for reading!
