

Professional Development Meeting

APICS – Columbus Chapter Tour

Tosoh SMD, Inc.

October 21, 2003, 6:00 PM

Presentation Highlights

Tosoh SMD began work on LEAN methods in 2000 by implementing a 5S system as well as other manufacturing disciplines including 20 keys, value stream mapping and kaizen activities. This kaizen event will work with some advanced refinements of a production area in a plant, which is well on the road to lean implementation. Tosoh SMD is one of the world's leading manufacturers of high purity thin film materials. The world's foremost producers of semiconductor devices, digital storage media, information displays, and other functional coatings use its products. Tosoh SMD manufacturing processes include metal purification, fabrication, machining and precision cleaning. Tosoh SMD is ISO9001, QS9000 and ISO14001 certified. Tosoh SMD maintains its web site at www.tsmd.com.

Tosoh SMD, Inc. is a wholly owned subsidiary of Tosoh Corporation, a diversified international producer of chemicals and high purity materials. Tosoh Corporation has a long and successful history in the production of specialty materials, sputtering targets, silica glass, quartzware products, scientific and diagnostic instrumentation and systems. Tosoh Corporation maintains its web site at www.tosoh.com.

In order to ensure there are no conflicts of interest from tour attendees, Tosoh SMD requires a comprehensive list of attendees and their company names. Therefore, the registration cutoff date of Thursday, October 16th at 9:00 am will be strictly enforced. Please make sure you provide your company name when registering.

Agenda

Tour: Tosoh SMD – 6:00PM (3600 Gantz Rd, Grove City, OH 43123)

Dinner at Damon's after the tour – (2227 Stringtown Road, Grove City, OH 43123)

October, 2003

President's Message

Our speaker for September Dinner Meeting provided an excellent overview of what it takes to become proficient in streamlining the transformation process to become a lean operation. For October the PDM offering is a plant tour of Tosoh SMD in Grove City, which has applied some aspects of lean manufacturing. Due to some proprietary data, a list of attendees and their employer needs to be presented to our host prior to the tour, so sign up early so you don't miss this opportunity. For November, our speaker's presentation - Jack Gips - will be similar to what he will present at the APICS International Conference in October.

The Education program has had some minor adjustments to the Fall term as to class location. They will be noted in this newsletter and on the website. We are planning to have the Winter session consist of Saturday sessions for all CPIM courses - two Saturdays per class. This format received a favorable review from the summer participants and it was suggested that the winter sessions would be conducive to this format. Dates and locations are being developed.

There are a lot of great things still going on with our website, so tune in on a regular basis. Kim is working to get your feedback on line in many areas so we can react to the needs of the membership.

Don't forget that attendance to the PDM's counts for points to re-certification for your APICS professional certifications.

And as usual, we are looking for a few good people to serve on our board. The current openings are listed in the newsletter.

Steve Fedan

President

Columbus Chapter #99

EDUCATION PROGRAM – FALL 2003 TO SPRING 2004

CLASS SCHEDULES:

Fall 2003:

CPIM Review - 1st class is the week of 10/06/03
Last scheduled class is the week of 12/1/03
Registration cut off 9/29/03

Winter 2004:

CPIM Review - 1st class is the week of 1/19/04
Last scheduled class is the week of 3/15/04
Registration cut off 1/12/04

Spring 2004:

CPIM Review - 1st class is the week of 4/5/04
Last scheduled class is the week of 5/31/04
Registration cut off 3/29/04

Scheduling Specifics:

A class matrix for each specific session will be listed in future newsletters and on the website outlining the specific date of the week, the instructor and class location. Course fees and a registration form will be included on both media.

APICS – Columbus Chapter #99: Fall Class Offerings

Contact: Valerie Seus, VP of Education Administration (937) 209-4444 or education@apic-col.org

Education Program

Fall 2003 to Spring 2004

Contact: Valerie Seus, VP of Education Administration (937) 209-4444 or education@apic-col.org

CPIM Certification Review Courses:

All five modules (Basics of Supply Chain Management, Master Planning of Resources, Detailed Scheduling and Planning, Execution and Control of Operations and Strategic Management of Resources) will be offered three times – Fall, Winter and Spring. These courses are an excellent review for those seeking the CPIM designation. There are no test or grades issued for these courses, only a certificate of Completion.

Fundamentals Courses:

This curriculum will be schedules as demand arises. A minimum of seven students must be enrolled to start a session. Schedule dates will be determined during enrollment to satisfy both students and instructor.

CIRM Certification Review Courses:

This curriculum will be schedules as demand arises. A minimum of six students must be enrolled to start a session. Schedule dates will be determined during enrollment to satisfy both students and instructor.

Accelerated CPIM Review Courses:

The accelerated program – three Saturdays – will be offered in the summer session as in the previous year and one course each term if demand justifies holding a course and a suitable facility allowing use on Saturdays can be found.

Program Features:

- A cut-off date has been established for each class session. Prior registration is required to allow for scheduling class materials, locations and instructors. **No walk in registration.**
- **Flex Classes – the students and the instructors can vary the class length and number of meetings as long as it is unanimous and a minimum of 16 hours for CPIM and all course material is satisfactorily covered.**
- You do not have to be an APICS member to take the class; there are separate fees for members and non-members.
