Tour:

Join us for a lunchtime tour of Total Ultimate Foods (www.tuf-inc.com). Total Ultimate Foods, Inc. provides premium dry mixes to the foodservice industry. They place over 100 products in kitchens large and small. Since it's founding by Thomas Brundige in 1981, TUF has become one of the leading manufacturers of dry food products. They currently create over 100 products for some of the largest restaurant chains and food distributors in the world. From cheese sauces and gravies to soups and dessert items, they offer a large range of quality products. They also have a complete complement of packaging capabilities that includes blending and formulation.

TUF's state-of-the-art, 80,000-square foot facility is located in Columbus, Ohio. The facility features a number of machines that can be configured quickly to meet your specific needs. The facility has consistently received superior ratings from the American Institute of Baking (AIB) and has a complete HACCP program in place.

From Our President

First of all, I'd like to thank everyone who came to the January PDM. Our thanks go out to Jerry for doing a great job.

In February, we'll be having a lunchtime tour of Total Ultimate Foods (TUF). TUF is a state of the art producer of dry food mixes. Since this is a lunchtime event, please sign up as soon as possible. This will allow us to plan appropriately so that we can finish in time and everyone can get back to work.

We've had great turnouts for our education classes this year. We're glad that everyone is making education and certification a priority. **Detailed Scheduling and Planning (DSP)** will be held at **Columbus Steel Castings** and will start on February 11, 2006. Please remember that the deadline to sign up for this class is **February 3, 2006**. We plan on having all CPIM classes this winter. Thanks again to Columbus Steel Castings for hosting the classes.

I look forward to seeing you at TUF in February!

Finally, please do not hesitate to contact me at president@apics-col.org if you have any questions, comments or concerns.

Sincerely,

Sean Ryman, CPIM

President, APICS Columbus

CPIM Certification Review Courses:

All five modules (Basics of Supply Chain Management, Master Planning of Resources, Detailed Scheduling and Planning, Execution and Control of Operations and Strategic Management of Resources) will be offered three times – Fall, Winter and Spring. These courses are an excellent review for those seeking the CPIM designation. There are no test or grades issued for these courses, only a certificate of Completion.

Fundamentals and CIRM Certification Review Courses:

This curriculum will be scheduled as demand arises. A minimum of six students must be enrolled to start a session. Schedule dates will be determined during enrollment to satisfy both students and instructor.

CPIM:
