President's Message

Greetings everyone! I hope you all enjoyed the summer. Once again September has rolled around and its time to begin the 2006-07 program year. I'd like to thank our board members for another great transition meeting this past July. All of your work is greatly appreciated. I'd also like to welcome Executive Vice President Monica Curley not only to our Board of Directors but to our wonderful city of Columbus from Cleveland. Burl Scott has moved on to Treasurer and I have moved on to President. Needless to say, we are very excited to begin this year. We do have some board positions open if you are interested in volunteering your time. If you are interested, please contact me at president@apics-col.org

In addition to our lineup of Professional Development Meetings and tours, we continue to offer certification review courses. These courses are a great way to prepare for certification exams or can be used to gain points toward re-certification. For more information on the education offerings, please visit the website at www.apics-col.org or contact Steve Fedan at education@apics-col.org.

As always, we are continually striving to improve the organization and deliver value to our members. If you have any suggestions on services you would like us to add or have input on things for us to improve, please do not hesitate to contact me.

Finally, the September PDM will feature Janice Worthington; President of Worthington Career Services. She will be giving a presentation on Job Interviews. I look forward to seeing you all there!

Sincerely,

Teresa L. Severt, CPIM
President, APICS Columbus

CPIM Certification Review Courses:

All five modules (Basics of Supply Chain Management, Master Planning of Resources, Detailed Scheduling and Planning, Execution and Control of Operations and Strategic Management of Resources) will be offered three times – Fall, Winter and Spring. These courses are an excellent review for those seeking the CPIM designation. There are no test or grades issued for these courses, only a certificate of Completion.

Fundamentals and CIRM Certification Review Courses:

This curriculum will be scheduled as demand arises. A minimum of six students must be enrolled to start a session. Schedule dates will be determined during enrollment to satisfy both students and instructor.
