APICS National is sending out a survey to all members that have a valid email address on file. This survey only takes about 10 minutes to complete. This survey is to assist with the restructuring of the National Website. They are looking for our feedback to make it more useful for the members and chapters. Please take the time to fill this out so you can be heard, and your suggestions can be put to good use.

Don't forget to register for the National Conference in Orlando this year. There will be lots of information, knowledge, and networking. While you are there you will not want to miss the expo, speakers, or those one of a kind tours.

If you are planning on taking winter classes in Columbus you need to register soon, check out the website for more information or fill out the form enclosed in this newsletter.

Finally, if find yourself with extra time contact me at [president@apics-col.org](mailto:president@apics-col.org) we still have a few board positions open this year.

Sincerely,

Teresa L. Severt, CPIM
