Speaker Bio:

Steve Fedan CPM/CPIM – President S.A.F. & Associates

Steve has been involved with APICS for over 25 years as a chapter member in both the Cleveland and Columbus chapters. He has also supported APICS as an instructor for the CPIM certification curriculum and as an officer for the Columbus chapter.

Prior to starting his own firm, Steve's entire career has been in the manufacturing/materials area and he has worked for several organizations from Fortune 500 organizations – General Motors, Stanley Works – to small privately held companies as a factory manager, materials manager and director of materials. Steve has had the opportunity to participate in new plant start-ups, implement self-directed work teams and to select and install several MRP systems. Throughout his career, he recognized the importance of professionalism and continuing education and has encouraged several staff personnel in his teams to achieve the CPIM and CPM status.

Steve received a BBA from Cleveland State University and an MBA from Baldwin Wallace College in Berea, Ohio. He is active in the Greek alumni organization. Also, he has served as an adjunct instructor for Clark State and Southern State Community Colleges.

Steve and his wife – Mary – have been married for 27 years and are active members of St. Cecilia Catholic Church

**From the President's Desk....**

First of all I would like to thank everyone who came out to the PDM last month, it was a great presentation give by Bill Thurston. He deserves a huge round of applause for a smooth delivery on a difficult topic “Project Management and the Roles of a Project Manager”. Thanks once again for going above the call of duty on short notice (our purposed speaker had to cancel due to a family death) to our very own VP of Membership Administration Bill Thurston.

Next, I would like to take this chance to sincerely say thanks to all of the Board of Directors for what I would consider a very productive year for the Columbus APICS Chapter. Together we have accomplished a lot; a marketing plan (Karen Sherrill), a new and improved website (Kim Huber-Safdy), fire safe document storage, better banking, new accounting system (Burl Scott), outstanding education programs (Steve Fedan), low cost high value speakers (Vera Hatcher), and excellent places to eat (Jane Winnans-Hall). Plus, I found out the person who tracks our members is a Project Manager (Bill Thurston). It has been my pleasure to lead this outstanding team of Board Members, and thank you for giving me the opportunity to do it again next year.

Your Current and Future President

Teresa Severt CPIM
